

Tell us what you think.

Feedback closes Friday 1 March. Email the completed survey to environmentplan@tasman.govt.nz

1. Cultural Values

It is important that there is a clear understanding of Port Tarakohe's rich cultural heritage and what activities could adversely impact their longevity.

Was there an issue or option that should have been included in the Cultural Values Summary?

Select one answer only
<input type="radio"/> Yes
<input type="radio"/> No

Please tell us what should have been included.

Skip this question if

- your answer to question Was there an issue or option that should have been included in the Cultural Values Summary? is not "Yes"

--

Did the Spatial Issues section identify all the issues?

Select one answer only
<input type="radio"/> Yes
<input type="radio"/> No

Please tell us what should have been included.

Skip this question if

- your answer to question Did the Spatial Issues section identify all the issues? is not "No"

Are there any other responses, response preferences and or priorities you want to tell us about?

2. Commercial Port Activity

To make sure we make the most of Port Tarakohe as a commercial business you need sufficient space, access, infrastructure, and the ability to support the commercial users.

Were there other issues or options that should have been included in the Commercial Port activities summary?

Select one answer only

☐ Yes

☐ No

Please tell us what should have been included.

Skip this question if

- your answer to question Were there other issues or options that should have been included in the Commercial Port activities summary? is not "Yes"

Did the Spatial Issues section identify all the issues?

Select one answer only

☐ Yes

☐ No

Please tell us what should have been included.

Skip this question if

- your answer to question Did the Facilities/ Activities/Use Issues section, identify all the considerations we need to take into account? is not "No"

Are there any other responses, response preferences and or priorities you want to tell us about?

5. Historic Heritage

Iwi occupation of the land, Abel Tasman's exploration, and Golden Bay Cement are recognised as historic values that must be taken into account when considering future use of the land and area.

Was there an issue or option that should have been included in the Historic Heritage Summary?

Select one answer only

☐ Yes

☐ No

Please tell us what should have been included.

Skip this question if

- your answer to question Was there an issue or option that should have been included in the Historic Heritage Summary? is not "Yes"

Did the Spatial Issues section identify all the issues?

Select one answer only

☐ Yes

☐ No

Please tell us what should have been included.

Skip this question if

- your answer to question Did the Spatial Issues section identify all the issues? is not "No"

Are there any other responses, response preferences and or priorities you want to tell us about?

6. Access and Transport

The port's single road has limited scope for widening work. Potential conflict between vehicles is high, as is the threat from storms and future sea level rise. Traffic is expected to increase.

Did the Access and Transport Summary miss any important issues or options that should have been addressed?

Select one answer only
<input type="radio"/> Yes
<input type="radio"/> No

Please tell us what should have been included.

Skip this question if

- your answer to question Did the Access and Transport Summary miss any important issues or options that should have been addressed? is not "Yes"

--

02. Are there any other responses, response preferences and or priorities you want to tell us about?

8. Amenity Values

There are a range of potential effects on the amenity values and character of the wider area from activities occurring in (or being established in) the Structure Plan area.

Did the Amenity Values Summary miss any important issues or options that should have been addressed?

Select one answer only

☐ Yes

☐ No

Please tell us what should have been included.

Skip this question if

- your answer to question Did the Amenity Values Summary miss any important issues or options that should have been addressed? is not "Yes"

Did the Spatial Issues section identify all the issues?

Select one answer only

☐ Yes

☐ No

Please tell us what should have been included.

Skip this question if

- your answer to question Did the Spatial Issues section identify all the issues? is not "No"

Did the Facilities/ Activities/Use Issues section, identify all the considerations we need to take into account?

Select one answer only

☐ Yes

☐ No

Please tell us what should have been included.

Skip this question if

- your answer to question Did the Facilities/ Activities/Use Issues section, identify all the considerations we need to take into account? is not "No"

Are there any other responses, response preferences and or priorities you want to tell us about?

9. Other Issues

There are a range of other additional issues that relate to the Port Tarakohe Structure Plan area: natural hazards, biosecurity, and dredging.

Did the Other Issues Summary miss any important issues or options that should have been addressed?

Select one answer only

☐ Yes

☐ No

Please tell us what should have been included.

Skip this question if

- your answer to question Did the Other Issues Summary miss any important issues or options that should have been addressed? is not "Yes"

Did the Natural Hazards section identify all the issues?

Select one answer only

☐ Yes

☐ No

Please tell us what should have been included.

Skip this question if

- your answer to question Did the Natural Hazards section identify all the issues? is not "No"

Did the Liquefaction section identify all the considerations we need to take into account?

Select one answer only

☐ Yes

☐ No

Please tell us what should have been included.

Skip this question if

- your answer to question Did the Liquefaction section identify all the considerations we need to take into account? is not "No"

Did the Biosecurity section identify all the considerations we need to take into account?

Select one answer only
