

FOSTERING MĀORI PARTICIPATION IN COUNCIL DECISION-MAKING THROUGH NGĀ IWI O TE TAUHU/COUNCIL PARTNERSHIP

KAUPAPA (PURPOSE)

This document outlines the actions Council intends to implement to support Iwi/Māori participation in Council decision-making processes over the period of Tasman's 10-Year Plan 2024 – 2034 and to improve the way Council kaimahi (staff) and elected members work together with Iwi/Māori.

KŌRERO O MUA (BACKGROUND)

The valued relationship between local government and Iwi is supported by a national level Memorandum of Understanding between Local Government New Zealand (LGNZ) and the Iwi Chairs Forum, signed in 2015.

Councils operate under several statutory regimes that require interaction and a relationship with Iwi/Māori. To uphold the principles of Te Tiriti o Waitangi/the Treaty of Waitangi, the Council needs to better understand the values, aspirations, and interests of Iwi/Māori in Tasman District. A legislative platform to enable respectful engagement and joint decision-making is provided by the Resource Management Act 1991 (RMA), the Local Government Act 2002 (LGA) and other legislation, including that governing reserves, coastal management, flood management and transport.

As well as our statutory obligations, the Council aspires to be a trusted partner, making good community decisions in collaboration with Iwi/Māori across Te Tauihu o Te Waka-a-Māui.

Tasman District is home to nine Iwi (see Figure 1). Two marae are located within the rohe: Te Āwhina and Onetahua marae.

MANA KI TE MAHI (LEGISLATIVE REQUIREMENTS)

The LGA outlines the following principles and requirements for local authorities, aimed at facilitating the participation of Iwi/Māori in decision-making processes:

1. Development of Māori capacity to contribute to decision-making processes – the Long Term plan must set out any steps that the local authority intends to take, having undertaken the consideration required by section 81(1)(b) LGA, to foster the development of Māori capacity to contribute to the decision-making processes of the local authority over the period covered by that plan (Schedule 10(8) LGA).
2. A local authority must establish and maintain processes to provide opportunities for Māori to contribute to their decision-making processes; consider ways to foster the development of Māori capacity; and provide relevant information to Māori for both purposes (s81(1) LGA).
3. Consultation with Māori – a local authority must ensure that it has in place processes for consulting with Māori that are in accordance with the principles of consultation as set out by section 82(1) LGA.
4. Local authority decision-making - where, in the course of the decision-making process, a significant decision relates to land or a body of water, the local authority must take into account the relationship of Māori and their culture and their traditions with their ancestral land, water, sites, wāhi tapu, valued flora and fauna, and other taonga (s77(1)(c) LGA).

Statutory responsibilities the Council enacts under the various Te Tiriti o Waitangi/the Treaty of Waitangi Settlements across the nine Iwi in the Tasman District derive from the:

- Ngāti Koata, Ngāti Rārua, Ngāti Tama ki Te Tau Ihu, and Te Ātiawa o Te Waka-a-Māui Claims Settlement Act 2014
- Ngāti Apa ki te Rā Tō, Ngāti Kuia, and Rangitāne o Wairau Claims Settlement Act 2014
- Ngāti Toa Rangatira Claims Settlement Act 2014, and
- Ngāi Tahu Claims Settlement Act 1998.

These Settlement Acts outline each area of interest – including statutory acknowledgements over land, water, sites, wāhi tapu, valued flora and fauna, and other taonga – for each of the nine Iwi. Deeds of Settlement also include various enactments:

TE KAUNIHERA (COUNCIL), IWI/MĀORI WORKING TOGETHER

There are many varied and nuanced ways in which the Council can work with Iwi/Māori. The Council is committed to growing and strengthening our working relationship and level of engagement with Iwi/Māori. These relationships are strategically important and are based on a range of statutory and non-statutory instruments, supporting opportunities for mutual benefit and advancement.

The Council consults and engages with Iwi/Māori on a regular basis. In certain cases, these are ongoing processes required by legislation such as the RMA to be replaced by the Spatial Planning Act 2023 and the Natural and Built Environment Act 2023, LGA and relevant Settlement Acts. Other cases are a way of recognising the spirit of partnership inherent in Te Tiriti o Waitangi/the Treaty of Waitangi.

Council have made key appointments to facilitate enactment of the Council's responsibilities to Iwi/Māori;

- The Mayor and Chief Executive have been appointed as Iwi/Māori liaison portfolio holders.
- Council Kaumātua who assist the Mayor, elected members and Chief Executive with support around tikanga Māori at civic events, pōwhiri, blessings and other ceremonies.
- The Council Kaihautū is a senior advisor to, and provides cultural support to, the Chief Executive, Leadership Team, Mayor, elected members and kaimahi (staff); and helps to enhance engagement between the nine Iwi of the Tasman District, the Council and the wider community, to help realise the partnership embodied in Te Tiriti o Waitangi/the Treaty of Waitangi. The Kaihautū plays a leadership role in the development of strategic and operational rangatira-ki-rangatira relationships between the Council and Iwi, ensures tikanga Māori cultural policy is embraced by the Council, and works to ensure decision-making is fully and effectively informed by a Te Ao Māori perspective.
- Council have also recognised the expanding workload through creating Te Kāhui Hononga (Māori Partnerships & Engagement Team). This includes the Kaihautū, a Kaitohutohu Māori (Senior Māori Advisor) and Kaiāwhina (Co-ordinator) that support hui between iwi and Council kaimahi and provide expertise, advice and guidance as needed throughout various Council functions. This expansion has been part of a refocus of existing resources and additional central government resources being made available.

The eight Iwi of Te Taihū have collaborated on a number of initiatives:

- 'Kia Kotahi te Hoe' - a strategy to advance their collective aspirations in response to the critical needs of whānau Māori in Te Taihū. The strategy is based around four key pou/priorities: employment, kai, housing and health.
- 'Te Kotahi o Te Taihū Charitable Trust' was formed to lead the aspirations of the strategy. The Council will look for opportunities to support and align with these aspirations.

Four iwi of Te Taihū have created Ka Uruora which is providing tools to support and empower whānau on their journey to secure housing opportunities through financial independence. Council will look for opportunities to align with and support these initiatives for affordable healthy homes in our community (e.g. supporting the papakāinga development at Te Āwhina Marae and much needed renovations at Onetahua Marae).

The Council also aims to align its work to the vision and intergenerational outcomes outlined in the wellbeing framework of 'Te Taihū Intergenerational Strategy' (launched in November 2020).

DRAFT FOR LTP 2024-2034

The Council acknowledges that building relationships with Iwi/Māori is not simply a matter of complying with legislation, but rather one of understanding, partnership and trust. The table below outlines some of the actions the Council currently undertakes, and some new actions we will take, to further develop Iwi/Māori capacity to contribute to our decision-making processes.

Table 1 – Ongoing work of Te Kaunihera (Council) with Iwi/Māori

Tuarima 5	Continuing to hold regular hui/liaison meetings with Iwi on a wide range of matters, in order to develop our relationships further and to discuss specific and general issues of relevance to both parties. As an example, in October 2017 Council formed an Iwi Working Group consisting of a representative of each of the nine Iwi to support the process of plan changes and review. This group meets regularly to discuss RMA policy matters. Council is working with Iwi authorities to develop the Tasman Environment Plan (TEP) and identify resource management issues of concern and possible solutions to them, along with other relevant matters.

Examples of ways we are working on this include:</p> <ul style="list-style-type: none"> • in conjunction with Iwi and training providers (e.g. NMIT, Te Ataarangi), continuing to provide structured training/familiarisation courses to improve elected members' and staff understanding of tikanga, kawa, te reo Māori, te Ao Māori, Te Tiriti o Waitangi/the Treaty of Waitangi, the nine Iwi of Tasman District, and Iwi culture and perspectives • continuing to provide He Waka Kuaka te reo Māori classes to staff • continuing to enable staff participation in cultural events (e.g. Waiata group, Matariki, Te Wiki o Te Reo, Waitangi Day), and • continuing to improve our induction process for staff and elected members, to build understanding of the unique differences between Iwi, and matters of importance to Iwi/Māori in our rohe.

Tuawhitu 7	Working together to co-design our response to major legislative/sector changes. The government has signalled significant reforms. Iwi input and influence into these changes and how they are implemented is fundamental. We recognise the need to better work together with Iwi and more effectively include them in decision-making.
Tuawaru 8	Working together with our environmental policy team to create cultural mapping layers and incorporating Mātauranga Māori alongside scientific disciplines.
Tuaiwa 9	Whakawhitiwhiti Whakaaro (Iwi Portal). Provides Iwi with a window to view and interact with past, present and future projects, undertaken by Council in conjunction with Tāngata Whenua o Te Taihū o Te Waka-a-Māui. This space provides Iwi with the platform to view projects and their details, to comment on projects and to indicate the level of engagement they would like to have on each project creating efficiency and instant engagement.
